

Town of Arborfield

Policy: 19-001

EXCESS HOUSEHOLD GARBAGE

Introduction

- 1(1) The residents of the Town of Arborfield may have a need to dispose of excess household garbage which does not fit into the household garbage carts provided to each residence.
- 1(2) Residents may request permission to dispose of this excess household garbage into the large steel bin located at the community hall.

Application form

- 2(1) Residents may request permission to dispose of excess household garbage without fee by filling out the required application form found in **Schedule A**. The Town will approve the application after considering if the items are allowable and if the items will fit in the bin.

Allowable/ Not allowable objects

- 3(1) Allowable objects include all household items that are too bulky or numerous to fit in the household carts including furniture and small appliances. Items that will not be allowed are tires, fridges, freezers, oil or combustible materials, any liquid domestic waste, animal carcasses, animal hides, vehicle batteries, electronics, paint or hazardous chemicals. Building and renovation materials in large size or quantities will not be allowed.
- 3(2) The Town reserves the right to refuse any objects that do not meet the criteria of allowable objects or at the discretion of the Town would be impractical to dispose of in this steel bin.

Schedule of dumping

- 4(1) Once the application is approved, the Town will schedule the date and time for use of the steel bin while considering the following criteria: the level of fullness of the bin, the date of the next scheduled dump with Greenland Waste, the number of requests at the time and the booked events at the Community Hall.
- 4(2) The steel bin will be unlocked for the scheduled date/time and will be available during regular Town office hours or by specific appointment only.

Adopted this 24 day of April, 2019
